MORE ABOUT LUCKY STRIKE LANES

Featuring bowling as its primary draw, Lucky Strike Lanes is a paradigm breaking entertainment and dining venue coined "a bowling alley for the new millennium" by USA Today.

Inspired by the notion of bringing people together in a high energy and fashionable environment, veteran restaurant and entertainment entrepreneurs Steven and Gillian Foster and Kevin Troy launched the Lucky Strikes Lanes concept in 2003 to rave reviews.

Appealing to individuals of all races and belief systems, Lucky Strike Lanes has been described as a bowling utopia. With a menu created exclusively for Lucky Strike by famed executive chef Bill Starbuck (caterer of choice for prestigious events like the Emmys and the Grammys) it's no wonder the Wall Street Journal called it "a menu that that takes bar-food to another level." And when describing their Lucky Strike experience, said... "We had so much fun we almost forgot to bowl."

Presently, there are 16 locations across North America, with more locations (domestic and international) to open soon. Simply put, the success of Lucky Strike Lanes is unstoppable, and its popularity utterly contagious!

More than a bowling alley, restaurant, bar or lounge, Lucky Strike Lanes is a destination where people can spend their entire evening playing, laughing, meeting new friends, and forgetting their worries. In this day and age, that's no small feat!
